

## **A Research Agenda for Entrepreneurship Policy**

**Elgar Research Agendas** outline the future of research in a given area. Leading scholars are given the space to explore their subject in provocative ways, and map out the potential directions of travel. They are relevant but also visionary.

Forward-looking and innovative, Elgar Research Agendas are an essential resource for PhD students, scholars and anybody who wants to be at the forefront of research.

Titles in the series include:

A Research Agenda for Global Crime  
*Edited by Tim Hall and Vincenzo Scalia*
