Dear Prof. Alexander Chumakov,

The year 2024 marks the 50th anniversary of the establishment of the Philosophical Society of Turkey.

To celebrate this anniversary our Society organizes a two-day conference with the support of the Atatürk Cultural Centre.

The conference will be held in Ankara, on 3 and 4 October 2024 and will focus on “Philosophy Facing World Problems in the 21st Century”.

Keeping in mind our earlier collaboration, we wish that you participate in this conference with a paper related to the general theme from a Russian perspective, as well as to the occasion. You will receive more details in the near future.

Looking forward to receiving your positive reply, I greet you very cordially,

Ioanna Kuçuradi
President
