

**Сведения о научном руководителе**  
**диссертации Бариновой Ксении Вячеславовны**  
**«Изучение амилоидогенной трансформации альфа-синуклеина»**

**Научный руководитель:** Муронец Владимир Израилевич

**Ученая степень:** доктор биологических наук, профессор

**Должность:** заведующий отделом

**Место работы:** отдел биохимии животной клетки, Научно-исследовательский институт физико-химической биологии имени А.Н. Белозерского Федерального государственного бюджетного образовательного учреждения высшего образования «Московский государственный университет имени М.В. Ломоносова»

**Адрес:** 119992, Москва, Ленинские горы, дом 1, стр 40

**Тел.:** +7-495-939-14-56

**E-mail:** vimuronets@belozersky.msu.ru

**Список основных научных публикаций по специальности 03.01.08 – Биоинженерия за последние 5 лет:**
